Re: Use of Private Investigator Registrants by Licensed Private Security Businesses  
as Independent Contractors – HB 1718

Dear Del LeMunyon:

Todd Troutner, PIAVA's Vice-president and Chairman of our Legislative Advisory Committee, notified me yesterday that you had introduced legislation (HB 1718) to allow Private Investigator registrants to be hired as independent contractors here in Virginia. On behalf of PIAVA, I again would like to thank you for your assistance with this matter. PIAVA supports the language of the bill as introduced and our members are ready to contact their individual legislators to encourage support for this bill. Please let me know if there is anything else I can do to assist you. My direct number is (301) 801-8301.

Again, thank you for your assistance with this important matter and we look forward to working with you.

Sincerely,

Kenneth P. D'Angelo  
President
